Connect with the
Bay Area Air District:

Dear Ms. Adams:

The District has completed its evaluation of the renewal application for the Major Facility Review Permit for the following facility:

Application No.	Facility No.	Facility Name	Address	Type of Operation
27701	B2095	Delta Energy Center, LLC	1200 Arcy Lane Pittsburg, CA 94565	Power Plant

The District has made a preliminary decision to issue the renewal Major Facility Review Permit, but the final decision on the permit issuance will consider public and EPA comments on the proposed permit. The notice inviting written public comment will be published in the East Bay Times (Contra Costa Times). The final date for members of the public to submit comments is October 23, 2018.

The proposed permit and statement of basis can be viewed on the BAAQMD website at <http://www.baaqmd.gov/permits/major-facility-review-title-v/title-v-permits>. We will also send the documents to you via the Electronic Permit Submittal System. If you have any questions regarding this project, please call Dennis Jang, Senior Air Quality Engineer, at (415) 749-4707.

Very truly yours,
